## **President's Message, June 2008**

Great job, everyone. Thank you for your patience in planning for a new meeting time and meeting location. I know we have all been eager to settle into a routine. Our initial survey indicated a desire to address the meeting time, meeting location and a different food option. "But wait..." we said "... what do the other members think?" We sent out another survey and spent time interpreting the results as a group. It's exciting. We have a new home.... or at least one we are trying out for a while. Woodside Terrace AM Kiwanis in meeting in the PM.... because it's never to late to get a new start on the day. Now , as we begin settling in to new digs at Harry's Hofbrau at 6pm on Tuesday night, we have a lot of great things to look forward to. See Bill Morris light up when he talks about some great ideas for the coming year. Hear the plans for the coming year. These are not the slow summer months you might remember. Join us. Celebrate.
